Sales Manager

Description

Our client started life as a humble 'man and van' start up, since then, they have experienced significant organic growth, transforming into an organisation with a reach throughout the UK. They are now trusted to provide logistics solutions to some of the best-known companies in the country. Their growth is impressive and has been achieved with clear vision, hard work and a commitment to excellence which remains undimmed. They are now seeking an office-based Sales Manager to build, lead and develop the sales team to deliver the Strategic Business Plan objectives for the business.
